

INTRODUCES SIMPLIFIED PAYMENT PROCESSING WITH OUR INTERFACE FOR MEDISOFT

Sample Screen

This feature gives you the ability to process debit and credit card payments and automatically post the payment information to Medisoft! You no longer need to purchase or lease costly credit card terminals. And because Medisoft uses X-Charge, you can accept all major credit and debit cards. This new integration is easy to use, it's fast, and for Medisoft users it's **FREE!**

X-Charge credit card processing software provides merchants with a fast and secure payment-processing platform that can be used by any Windows compatible personal computer.

Softouch Software and X-Charge are committed to offering your business the most competitive edge possible. The X-Charge team offers a **FREE** analysis of your existing merchant services and a full comparison on all of the rates and fees involved with processing credit cards. To date, 90% of our clients have shown savings! Medisoft Software makes credit card processing quick and easy and the X-Charge software gives you fast authorizations and constant reliability. It's a true advantage.
